WHO AM I

Born on July 8, 2005, residing in the Province of Trento, Italy, I am a Computer Science student at the University of Trento. Driven by an interest in networking, I recently set up a homelab to build and manage personal projects. My interests include running (currently training for a half marathon) and community volunteering. I hold a valid Category B driving license.

EXPERIENCE

Waterjade Intern - Python developer Jun 2023
High school work-study internship. Developed a REST API system used to query weather data based on location, time series, and other parameters. Through this experience, I acquired technical skills in Python, Flask, and data science libraries, while gaining hands-on experience working in a team within a small company environment.

EDUCATION

2024 – Present B.Sc. in Computer Science – **University of Trento** (Ongoing)
2019 – 2024 High School Diploma in Computer Science – **ITT M. Buonarroti** (98/100)

PROJECTS

Orticello – orticellolanding.onrender.com Sep 2025 – Apr 2026
Awarded 3rd place in the "100 Projects for the Municipality of Trento" competition, I contributed to the development of Orticello, an urban garden management app leveraging AI to provide tailored farming recommendations. The project promotes urban sustainability through digital tools, fostering community collaboration and optimizing agricultural resources. Submitted as the final project for the Software Engineering course, earning a grade of 30/30 Cum Laude (30L).

VOLUNTEERING

Milano Cortina 2026 Winter Olympics Results Equipment Volunteer Sep 2025 – Feb 2026
As a Results Equipment Volunteer within the Technology area for the Milano Cortina 2026 Winter Olympic Games at the Predazzo Ski Jumping Stadium, I managed scoring systems and data transmission to venue displays, ensuring accurate real-time information delivery. Working as part of an international team gave me hands-on insight into the complex logistics of global events while strengthening my technical and problem-solving skills in a dynamic, high-pressure operational environment.

CERTIFICATIONS

Cisco CCNA: Introduction to Networks & Switching, Routing, and Wireless Essentials 2022, 2024
German (CEFR A2) 2019

I hereby authorize the processing of my personal data in accordance with Legislative Decree 196/2003 and Art. 13 GDPR (EU Reg. 2016/679).
